order to maintain the dignity and decorum of our proceedings, it is better the Hon'ble Members refrain from using such words of persons attack against other Hon'ble Members. I am sure it will be possible to have the same effect or perhaps be more effective by using words which carry greater dignity." This is the ruling.

PAPERS LAID ON THE TABLE.

Sri M. V. KRISHNAPPA (Minister for Revenue).—Sir, I beg to lay on the Table a copy of Notification No. R D 41 EST 64, dated 12th January 1965 (Amendment to the Mysore Stamp Rules, 1956) as required under sub-section (3) of section 68 of the Mysore Stamp Act, 1957.

Business of the House.

Mr. SPEAKER.—Before the Debate continues Hon'ble Members will kindly remember, yesterday we had no time to deal with a matter and it was left over, namely, the matter relating to the walk-out on the day of the Governor's Address. I said that I would give them as much material as possible, and the whole thing has been placed for the last two or three days on the Table in the Library. I suppose the Members have read it.

HON'BLE MEMBERS.—Due to pre-occupations for the last two or three days, we have not been able to go through the same.

Mr. SPEAKER.—Shall I put it off till Monday? But Monday being a holiday. I propose to take it up on the 27th.

Sri S. SIVAPPA (Sravanabelagola).—Yesterday there was a suggestion that this matter could be taken up on Saturday... .....

Mr. SPEAKER.—That is a different matter. There are two matters. The Hon,ble Member must have very clear ideas and should not mix them up. What is coming up tomorrow is the point relating to the position of the Leader of Opposition. I have no objection to postpone it—let us have something. I will put it off till the 27th. That will give Hon'ble Members more time to study the details regarding the incident of the walkout on the day of the Governor's Address. And, the other one, shall I put it off till tomorrow?

Sri S. M. KRISHNA (Maddur).—It may as well be taken on the 27th.....

Mr. SPEAKER.—Shall we take it up also on the 27th?

Sri K. LAKKAPPA (Hebbur).—Some of them are going to Calcutta to attend the Varanashi Conference from the 25th onwards ....

Sri M. V. KRISHNAPPA (Minister of Revenue).—Some of them are going to Varanashi?

Mr. SPEAKER.—Now the question is, whether 27th is suitable or not. And, it depends on those that are going. But what I heard the Hon'ble Member as saying was ... ...some of them are giong. I am not concerned with 'them'. But I am concerned with 'us'.

Sri S. M. KRISHNA.—There is a possibility that some of the Hon'ble Members.....

Mr. SPEAKER.—Then shall we have it on the 28th or 29th ?

Sri S. M. KRISHNA.—The National Conference at Benares is going to be held. It is likely that the Leader of the Opposition will attend.

Mr. SPEAKER.—But some Members may propose other date.

Sri S. SIVAPPA.—Till about the 2nd or 3rd, by which time we will be back.

Sri R. M. PATIL (Minister for Home).—Looking to the reported cases, it is very simple. Therefore, I suggest it may be taken up as early as possible.

Mr. SPEAKER.— We shall deal with it tomorrow.

Sri S. SIVAPPA.—Sir, we can take it up on 3rd or 4th of February. We are having our National Conference and in fact, if the Leader of the House agrees, the House itself should adjourn on the footing that when the A.I.C.C. was to be in session, the House used to be adjourned.

Mr. SPEAKER.—I hear the Leader of the House say that beyond 3rd we are not sitting. Therefore, that is the dead line. So, we will have it tomorrow if necessary and if it suits others.

Sri C. J. MUCKANNAPPA (Sira).—Sir, there are so many invitations for tomorrow; the Prime Minister is coming and none of the Ministers will be here.

Mr. SPEAKER.—All right; we shall have it on the 2nd.

Sri S. SIVAPPA.—Yes, Sir.

MOTION OF THANKS TO THE GOVERNOR'S ADDRESS

Debate continued)

Mr. SPEAKER.—The last person who has spoken is Sri Sanjeevanath Aikala. Now, we have about 3½ hours.

Sri C. J. MUCKANNAPPA.—Sir, the Governor's Address was not discussed fully, though no confidence motion was discussed for four days. I request the Chair to allow us to discuss the Address today and the Ministers may reply tomorrow.

Mr. SPEAKER.—For tomorrow, I believe, we have put down other work. We shall see how matters develop. When while allowing yesterday for the no-confidence motion, it was understood that today would be the only day that was available. If the House agrees, I have no objection.

Now, let us commence the debate. I have received so many communications. Unless the Whips are agreed, I will not entertain
